To the Shareholders:

At a regular meeting held on June 15-16, 2020, the Board of Trustees (the Board) of Advanced Series Trust approved a new subadvisory agreement (the New Subadvisory Agreement) for the AST Academic Strategies Asset Allocation Portfolio (the Portfolio) among PGIM Investments LLC (PGIM Investments), AST Investment Services, Inc. (ASTIS, and together with PGIM Investments, the Manager), Western Asset Management Company LLC and Western Asset Management Company Limited (collectively, Western Asset), due to a change of control of the parent company of Western Asset.

The Board’s approval of the New Subadvisory Agreement was in connection with the change of control of Legg Mason, Inc. (Legg Mason), the parent company of Western Asset, which resulted from Franklin Resources, Inc.’s (Franklin) acquisition of Legg Mason. In February 2020, Legg Mason entered into an agreement with Franklin under which Franklin would acquire Legg Mason (the Transaction). The Transaction closed on July 31, 2020. Franklin is a holding company that, together with its subsidiaries operates as Franklin Templeton®. Upon the closing of the Transaction, Legg Mason became a direct wholly-owned subsidiary of Franklin, and Western Asset became an indirect subsidiary of Franklin. As such, the Transaction resulted in a change of control of Legg Mason and Western Asset and, therefore, an assignment (within the meaning of the Investment Company Act of 1940) and automatic termination of the prior subadvisory agreement between the Manager and Western Asset for the Portfolio.

The New Subadvisory Agreement became effective on July 31, 2020, and is identical to the prior subadvisory agreement between the Manager and Western Asset. The subadvisory agreements between the Manager and the Portfolio’s other subadvisers, have not been, and will not be, affected by the New Subadvisory Agreement. The investment management agreement relating to the Portfolio has not been, and will not be, changed as a result of the New Subadvisory Agreement. PGIM Investments and ASTIS will continue to manage the Portfolio.

This information statement describes the circumstances surrounding the Board’s approval of the New Subadvisory Agreement and provides you with an overview of its terms. This information statement does not require any action by you. It is provided to inform you about a change in the Portfolio’s subadvisory arrangement.

By order of the Board,

Andrew R. French
Secretary

THIS IS NOT A PROXY STATEMENT.
WE ARE NOT ASKING YOU FOR A PROXY, AND YOU ARE REQUESTED NOT TO SEND US A PROXY.
This information statement is being furnished in lieu of a proxy statement to beneficial shareholders of the AST Academic Strategies Asset Allocation Portfolio (the Portfolio), a series of Advanced Series Trust (AST or the Trust), pursuant to the terms of an exemptive order (the Manager-of-Managers Order) issued by the Securities and Exchange Commission (the SEC). The Manager-of-Managers Order permits the Portfolio’s investment managers to hire subadvisers that are not affiliated with the investment managers, and to make changes to certain existing subadvisory agreements with the approval of the Board of Trustees of the Trust, without obtaining shareholder approval.

AST is an open-end management investment company registered under the Investment Company Act of 1940, as amended (the 1940 Act). AST is organized as a Massachusetts business trust. The Portfolio is a series of the Trust.

The Trustees of AST are collectively referred to herein as the “Board” or “Trustees.” The principal executive offices of AST are located at 655 Broad Street, 17th Floor, Newark, NJ 07102. PGIM Investments LLC (PGIM Investments) and AST Investment Services, Inc. (ASTIS, and together with PGIM Investments, the Manager) serve as the investment managers of the Portfolio.

This information statement relates to the approval by the Board of new subadvisory agreement (the New Subadvisory Agreement) for the Portfolio with Western Asset Management Company LLC (WAMCO) and Western Asset Management Company Limited (WAML, and together with WAMCO, Western Asset). At a meeting of the Board held on June 15-16, 2020 (the Meeting), the Board, including a majority of the Trustees who are not parties to the New Subadvisory Agreement, and who are not interested persons of those parties, as defined in the 1940 Act (the Independent Trustees), approved the New Subadvisory Agreement between the Manager and Western Asset.

The Board’s approval of the New Subadvisory Agreement was in connection with the change of control of Legg Mason, Inc. (Legg Mason), the parent company of Western Asset, which resulted from Franklin Resources, Inc.’s (Franklin) acquisition of Legg Mason. In February 2020, Legg Mason entered into an agreement with Franklin under which Franklin would acquire Legg Mason (the Transaction). The Transaction closed on July 31, 2020. Franklin is a holding company that, together with its subsidiaries operates as Franklin Templeton®. Upon the closing of the Transaction, Legg Mason became a direct wholly-owned subsidiary of Franklin, and Western Asset became an indirect subsidiary of Franklin. As such, the Transaction resulted in a change of control of Legg Mason and Western Asset and, therefore, an assignment (within the meaning of the Investment Company Act of 1940) and automatic termination of the prior subadvisory agreement between the Manager and Western Asset for the Portfolio.

The New Subadvisory Agreement became effective on July 31, 2020, and is identical to the prior subadvisory agreement between the Manager and Western Asset that was terminated as a result of the Transaction (the Prior Subadvisory Agreement).

The New Subadvisory Agreement has not, and will not, affect the other Portfolio subadvisers, which are:

- AlphaSimplex Group,
- AQR Capital Management, LLC
- CoreCommodity Management, LLC
- First Quadrant L.P.
- Jennison Associates LLC
- Morgan Stanley Investment Management, Inc.
- Pacific Investment Management Company, LLC
- Quantitative Management Associates LLC

The investment objective of the Portfolio has not changed. The investment management agreement between the Manager and the Trust (the Management Agreement) relating to the Portfolio has not been, and will not be, changed as a result of the New Subadvisory Agreement. The Management Agreement was last approved by the Trustees, including a majority of the Independent Trustees, at the Meeting.

Western Asset will pay for the costs associated with preparing and distributing this information statement to the shareholders of the Portfolio. A Notice of Internet Availability for this information statement will be mailed on or about October 12, 2020 to shareholders investing in the Portfolio as of July 31, 2020.

NEW SUBADVISORY AGREEMENT

Approval of the New Subadvisory Agreement

As required by the 1940 Act, due to an anticipated “change of control” of Legg Mason, the Board of AST, including the Independent Trustees, considered whether to approve the New Subadvisory Agreement.

At the Meeting, the Board, including all of the Independent Trustees, considered and approved the New Subadvisory Agreement after concluding that approval of the New Subadvisory Agreement was in the best interests of the Portfolio and its shareholders. The Board noted that it had most recently approved the Prior Subadvisory Agreement at the June 2019 Board meeting (the Prior Meeting), and that the New Subadvisory Agreement would not take effect until the anticipated change of control was complete.

The Board’s approval of the New Subadvisory Agreement was in connection with the anticipated change of control of Legg Mason. The Board considered that Franklin would acquire 100% of Legg Mason, the parent company of Western Asset, in the Transaction, causing Western Asset to become an indirect subsidiary of Franklin. The Board was advised that the completion of the Transaction would constitute a “change of control” of Legg Mason and Western Asset, resulting in the assignment and termination of the Prior Subadvisory Agreement between the Manager and Western Asset.

In advance of the Meeting, the Board requested and received materials related to the New Subadvisory Agreement, and had the opportunity to ask questions and request further information in connection with its considerations.

Before approving the New Subadvisory Agreement, the Board, including the Independent Trustees advised by independent legal counsel, considered the factors it deemed relevant, including the nature, quality and extent of services to be provided to the Portfolio by Western Asset; comparable performance information; the fees paid by the Manager to Western Asset; the potential for economies of scale that may be shared with the Portfolio and its shareholders; and other benefits to Western Asset. In connection with its deliberations, the Board considered information provided by the Manager and Western Asset at, or in advance of, the Meeting. In its deliberations, the Board did not identify any single factor that, alone, was responsible for the Board’s decision to approve the New Subadvisory Agreement.

The Board determined that the overall arrangements between the Manager and Western Asset, who will continue to subadvise the Portfolio pursuant to the terms of the New Subadvisory Agreement, are in the best interests of the Portfolio and its shareholders, in light of the services to be performed and the fees to be charged under the New Subadvisory Agreement, and such other matters as the Board considered relevant in the exercise of its business judgment.

The material factors and conclusions that formed the basis for the Board’s approval of the New Subadvisory Agreement are separately discussed below.

Nature, Quality and Extent of Services

The Board noted that it had most recently received and considered information regarding the nature, quality and extent of services provided to the Portfolio by the Western Asset in connection with its approval of the Prior Subadvisory Agreement at the Prior Meeting. The Board also noted that the nature and extent of services to be provided to the Portfolio under the Prior Subadvisory Agreement are identical in all material respects to those to be provided by Western Asset under the New Subadvisory Agreement.

With respect to quality of services, the Board considered, among other things, the backgrounds and experiences of the portfolio management teams of Western Asset that serve the Portfolio, and that such teams would continue to serve the Portfolio after the Transaction and would otherwise be unaffected. In connection with the approval of the Prior Subadvisory Agreement for the Portfolio, the Board had reviewed the qualifications, backgrounds and responsibilities of the portfolio managers who are responsible for the day-to-day management of the Portfolio. The Board was also provided information pertaining to the organizational structure of Legg Mason and Western Asset, senior management and investment operations, among other relevant information. The Board noted that it had received favorable compliance reports from AST’s Chief Compliance Officer at the Prior Meeting regarding Western Asset in connection with its approval of the Prior Subadvisory Agreement.

The Board concluded that it was satisfied with the nature, extent and quality of the investment subadvisory services provided to the Portfolio by Western Asset under the Prior Subadvisory Agreement, and that there was a reasonable basis on which to conclude that the quality of investment subadvisory services to be provided by Western Asset under the New Subadvisory Agreement should equal the quality of similar services provided by Western Asset under the Prior Subadvisory Agreement.

Performance

The Board noted that it had reviewed and been satisfied with the investment performance of the Portfolio in connection with its approval of the Prior Subadvisory Agreement, and that there was a reasonable basis on which to conclude that the investment
performance of the Portfolio under the New Subadvisory Agreement should not change as a result of the Transaction.

Subadvisory Fee Rate

The Board noted that the subadvisory fee rates payable to Western Asset in connection with the Portfolio would remain unchanged as a result of the Transaction. The Board noted that it had reviewed the subadvisory fee rates paid to Western Asset in connection with its approval of the Prior Subadvisory Agreement at the Prior Meeting and determined that such fee rates were reasonable.

Profitability

The Board noted that, since Western Asset is not affiliated with the Manager, the revenues derived by Western Asset under the New Subadvisory Agreement would not be included in any future profitability calculations of the Manager, and concluded that the level of profitability of subadvisers not affiliated with the Manager, such as Western Asset, may not be as significant as the Manager’s profitability, given the arm’s-length nature of the process by which the subadvisory fee rates were negotiated by the Manager and the unaffiliated subadvisers, as well as the fact that the Manager compensates subadvisers out of its management fees.

Economies of Scale

The Board noted that the proposed subadvisory fee schedules for the Portfolio under the New Subadvisory Agreement contain breakpoints that reduce the fee rates on assets above specified levels, and that the fee schedules are the same as the fee schedules under the Prior Subadvisory Agreement that were approved by the Board at the Prior Meeting. The Board noted that it would consider economies of scale in connection with future annual reviews of the New Subadvisory Agreement.

Other Benefits to Western Asset

The Board noted that it had considered potential “fall-out” or ancillary benefits anticipated to be received by Western Asset, and its respective affiliates, in connection with its approval of the Prior Subadvisory Agreement at the Prior Meeting, and that the Transaction would not result in any changes to the information it considered at the Prior Meeting. The Board also noted that it would review ancillary benefits in connection with future annual reviews of the New Subadvisory Agreement.

***

After full consideration of these factors, the Board concluded that approving the New Subadvisory Agreement was in the best interests of the Portfolio and its beneficial shareholders.

The New Subadvisory Agreement is attached as Exhibit A.

Terms of the New Subadvisory Agreement

The material terms of the New Subadvisory Agreement are identical to the material terms of the Prior Subadvisory Agreement. Western Asset is compensated by the Manager (and not the Portfolio) based on the amount of assets in the portion of the Portfolio it manages. The subadvisory fee rates under the Prior Subadvisory Agreement, the subadvisory fee rates under the New Subadvisory Agreement, and the subadvisory fees paid to Western Asset for the fiscal year ended December 31, 2019, are set forth below:
Prior Subadvisory Fee Rates | New Subadvisory Fee Rates | Subadvisory Fees Paid for the Fiscal Year Ended December 31, 2019
--- | --- | ---
0.40% of average daily net assets to $100 million; 0.20% of average daily net assets over $100 million (Applies to Emerging Markets Fixed Income investment category) | 0.40% of average daily net assets to $100 million; 0.20% of average daily net assets over $100 million (Applies to Emerging Markets Fixed Income investment category) | $496,853

The New Subadvisory Agreement provides, as did the Prior Subadvisory Agreement, that subject to the supervision of the Manager and the Board, Western Asset is responsible for managing the investment operations of a portion of the assets of the Portfolio and for making investment decisions and placing orders to purchase and sell securities for such portion of the Portfolio, all in accordance with the investment objective and policies of the Portfolio, as reflected in its current prospectus and statement of additional information, and as may be adopted from time to time by the Board. In accordance with the requirements of the 1940 Act, Western Asset will maintain all books and records required to be maintained by an investment adviser and will render to the Board such periodic and special reports, as the Board may reasonably request.

The New Subadvisory Agreement will remain in full force and effect for a period of two years from the date of its execution and will continue thereafter, as long as its continuance is specifically approved at least annually by vote of a majority of the outstanding voting securities (as that term is defined in the 1940 Act) of the Portfolio, or by the Board, including the approval by a majority of the Independent Trustees, at a meeting called for the purpose of voting on such approval; provided, however, that (i) the New Subadvisory Agreement may be terminated at any time without the payment of any penalty, either by vote of the Board or by vote of a majority of the outstanding voting securities of the Portfolio, (ii) the New Subadvisory Agreement will terminate automatically in the event of its assignment (within the meaning of the 1940 Act) or upon the termination of the Trust’s Management Agreement with the Manager, and (iii) the New Subadvisory Agreement may be terminated at any time by Western Asset, or by the Manager on not more than 60 days’, nor less than 30 days’, written notice to the other party to the New Subadvisory Agreement.

The New Subadvisory Agreement provides that, in the absence of willful misfeasance, bad faith, gross negligence in the performance of its duties, or reckless disregard of its obligations and duties thereunder, Western Asset will not be liable for any act or omission in connection with its activities as a subadviser to the Portfolio.

**Shareholder Proposals**

The Trust, as a Massachusetts business trust, is not required to hold annual meetings of shareholders, and the Trustees do not intend to hold such meetings unless shareholder action is required in accordance with the 1940 Act or the Trust’s Declaration of Trust. A shareholder proposal intended to be presented at any meeting of shareholders of the Trust must be received by the Trust at a reasonable time before the Trustees’ solicitation relating thereto is made in order to be included in the Trust’s proxy statement and form of proxy relating to that meeting and presented at the meeting. The mere submission of a proposal by a shareholder does not guarantee that the proposal will be included in the proxy statement because certain rules under the federal securities laws must be complied with before inclusion of the proposal is required.

**Annual and Semi-Annual Reports**

The Trust’s annual reports, semi-annual reports and information statements are sent to shareholders. Only one copy of a report or information statement, as applicable, may be delivered to multiple shareholders sharing an address unless the Trust receives contrary instructions from one or more of the shareholders. (ASTIS), a Maryland Corporation (together with PGIM Investments, the Manager), and Western Asset Management Company, LLC (WAMCO) and Western Asset Management Company Limited (WAML) (collectively, the Subadviser),

WHEREAS, the Manager has entered into a Management Agreement (the Management Agreement) dated May 1, 2003, with Advanced Series Trust (formerly American Skandia Trust), a Massachusetts business trust (the Trust) and a diversified, open-end management investment company registered under the Investment Company Act of 1940, as amended (the 1940 Act), pursuant to which PGIM Investments and ASTIS act as Manager of the Trust; and

WHEREAS, the Manager, acting pursuant to the Management Agreement, desires to retain the Subadviser to provide investment advisory services to the Trust and one or more of its series as specified in Schedule A hereto (individually and collectively, with the Trust, referred to herein as the Trust) and to manage such portion of the Trust as the Manager shall from time to time direct, and the Subadviser is willing to render such investment advisory services; and

NOW, THEREFORE, the Parties agree as follows:

1. (a) Subject to the supervision of the Manager and the Board of Trustees of the Trust, the Subadviser shall manage such portion of the Trust’s portfolio as delegated to the Subadviser by the Manager, including the purchase, retention and disposition thereof, in accordance with the Trust’s investment objectives, policies and restrictions as stated in its then current prospectus and statement of additional information (such prospectus and statement of additional information as currently in effect and as amended or supplemented from time to time, being herein called the Prospectus), and subject to the following understandings:

   (i) The Subadviser shall provide supervision of such portion of the Trust’s investments as the Manager shall direct, and shall determine from time to time what investments and securities will be purchased, retained, sold or loaned by the Trust, and what portion of the assets will be invested or held uninvested as cash.

   (ii) In the performance of its duties and obligations under this Agreement, the Subadviser shall act in conformity with the copies of the Amended and Restated Declaration of Trust of the Trust, the By-laws of the Trust, the Prospectus of the Trust, and the Trust’s valuation procedures as provided to it by the Manager (the Trust Documents) and with the instructions and directions of the Manager and of the Board of Trustees of the Trust, co-operate with the Manager’s (or its designees’) personnel responsible for monitoring the Trust’s compliance and will conform to, and comply with, the requirements of the 1940 Act, the Commodity Exchange Act of 1936, as amended (the CEA), the Internal Revenue Code of 1986, as amended, and all other applicable federal and state laws and regulations. In connection therewith, the Subadviser shall, among other things, prepare and file such reports as are, or may in the future be, required by the Securities and Exchange Commission (the Commission). The Manager shall provide Subadviser timely with copies of any updated Trust Documents.

   (iii) The Subadviser shall determine the securities, futures contracts and other instruments to be purchased or sold by such portion of the Trust’s portfolio, as applicable, and may place orders with or through such persons, brokers, dealers or futures commission merchants, including any person or entity affiliated with the Subadviser (collectively, Brokers), to carry out the policy with respect to brokerage as set forth in the Trust’s Prospectus or as the Board of Trustees may direct in writing from time to time. In providing the Trust with investment supervision, it is recognized that the Subadviser will give primary consideration to securing the most favorable price and efficient execution. Within the framework of this policy, the Subadviser may consider the financial responsibility, research and investment information and other services provided by Brokers who may direct or be a party to any such transaction or other transactions to which the Subadviser’s other clients may be a party. The Manager (or Subadviser) to the Trust each shall have discretion to effect investment transactions for the Trust through Brokers (including, to the extent legally permissible, Brokers affiliated with the Subadviser) qualified to obtain best execution of such transactions who provide brokerage and/or research services, as such services are defined in Section 28(e) of the Securities Exchange Act of 1934, as amended (the 1934 Act), and to cause the Trust to pay any such Brokers an amount of commission for effecting a portfolio transaction in excess of the amount of commission another Broker would have charged for effecting that transaction, if the brokerage or research services provided by such Broker, viewed in light of either that particular investment transaction or the overall responsibilities of the Manager (or the Subadviser) with respect to the Trust and other accounts as to which they or it may exercise investment discretion (as such term is defined in Section 3(a)(35) of the 1934 Act), are reasonable in relation to the amount of commission. On occasions when the Subadviser deems the purchase or sale of a security, futures contract or other instrument to be in the best interest of the Trust as well as other clients of the Subadviser, the Subadviser, to the extent
permitted by applicable laws and regulations, may, but shall be under no obligation to, aggregate the securities, futures contracts or other instruments to be sold or purchased. In such event, allocation of the securities, futures contracts or other instruments so purchased or sold, as well as the expenses incurred in the transaction, will be made by the Subadviser in the manner the Subadviser considers to be the most equitable and consistent with its fiduciary obligations to the Trust and to such other clients.

(iv) The Subadviser shall maintain all books and records with respect to the Trust’s portfolio transactions effected by it as required by Rule 31a-1 under the 1940 Act, and shall render to the Trust’s Board of Trustees such periodic and special reports as the Trustees may reasonably request. The Subadviser shall make reasonably available its employees and officers for consultation with any of the Trustees or officers or employees of the Trust with respect to any matter discussed herein, including, without limitation, the valuation of the Trust’s securities.

(v) The Subadviser or an affiliate shall provide the Trust’s custodian on each business day with information relating to all transactions concerning the portion of the Trust’s assets it manages, and shall provide the Manager with such information upon request of the Manager.

(vi) The investment management services provided by the Subadviser hereunder are not to be deemed exclusive, and the Subadviser shall be free to render similar services to others. Conversely, the Subadviser and the Manager understand and agree that if the Manager manages the Trust in a “manager-of-managers” style, the Manager will, among other things, (i) continually evaluate the performance of the Subadviser through quantitative and qualitative analysis and consultations with the Subadviser, (ii) periodically make recommendations to the Trust’s Board as to whether the contract with one or more subadvisers should be renewed, modified, or terminated, and (iii) periodically report to the Trust’s Board regarding the results of its evaluation and monitoring functions. The Subadviser recognizes that its services may be terminated or modified pursuant to this process.

(vii) The Subadviser acknowledges that the Manager and the Trust intend to rely on Rule 17a-40, Rule 10f-3, Rule 12d3-1 and Rule 17e-l under the 1940 Act, and the Subadviser hereby agrees that it shall not consult with any other subadviser to the Trust with respect to transactions in securities for the Trust’s portfolio or any other transactions of Trust assets.

(b) The Subadviser shall authorize and permit any of its directors, officers and employees who may be elected as Trustees or officers of the Trust to serve in the capacities in which they are elected. Services to be furnished by the Subadviser under this Agreement may be furnished through the medium of any of such directors, officers or employees.

(c) The Subadviser shall keep the Trust’s books and records required to be maintained by the Subadviser pursuant to paragraph 1(a) hereof and shall timely furnish to the Manager all information relating to the Subadviser’s services hereunder needed by the Manager to keep the other books and records of the Trust required by Rule 31a-1 under the 1940 Act or any successor regulation. The Subadviser agrees that all records which it maintains for the Trust are the property of the Trust, and the Subadviser will tender promptly to the Trust any of such records upon the Trust’s request, provided, however, that the Subadviser may retain a copy of such records. The Subadviser further agrees to preserve for the periods prescribed by Rule 31a-2 of the Commission under the 1940 Act or any successor regulation any such records as are required to be maintained by it pursuant to paragraph 1(a) hereof.

(d) The Subadviser is a commodity trading advisor duly registered with the Commodity Futures Trading Commission (the CFTC) and is a member in good standing of the National Futures Association (the NFA). The Subadviser shall maintain such registration and membership in good standing during the term of this Agreement. Further, the Subadviser agrees to notify the Manager promptly upon (i) a statutory disqualification of the Subadviser under Sections 8a(2) or 8a(3) of the CEA, (ii) a suspension, revocation or limitation of the Subadviser’s commodity trading advisor registration or NFA membership, or (iii) the institution of an action or proceeding that could lead to a statutory disqualification under the CEA or an investigation by any governmental agency or self-regulatory organization of which the Subadviser is subject or has been advised it is a target.

(e) In connection with its duties under this Agreement, the Subadviser agrees to maintain adequate compliance procedures to ensure its compliance with the 1940 Act, the CEA, the Investment Advisers Act of 1940, as amended, and other applicable state and federal regulations, and applicable rules of any self-regulatory organization.

(f) The Subadviser shall maintain a written code of ethics (the Code of Ethics) that it reasonably believes complies with the requirements of Rule 17j-1 under the 1940 Act and Rule 204A-1 under the Advisers Act, a copy of which shall be provided to the Manager and the Trust, and shall institute procedures reasonably necessary to prevent any Access Person (as defined in Rule 17j-1 under the 1940 Act and Rule 204A-1 under the Advisers Act) from violating its Code of Ethics. The Subadviser shall follow such Code of Ethics in performing its services under this Agreement. Further, the Subadviser represents that it maintains adequate compliance procedures to ensure its compliance with the 1940 Act, the Advisers Act, and other applicable federal and state laws and regulations. In particular, the Subadviser represents that it has policies and procedures regarding the detection and prevention of the misuse of material, non-public information by the Subadviser and its employees as required by the applicable federal securities laws.

(g) The Subadviser shall furnish to the Manager copies of all records prepared in connection with (i) the performance of this Agreement and (ii) the maintenance of compliance procedures pursuant to paragraph 1(d) hereof as the Manager may reasonably request.
(h) The Subadviser shall be responsible for the voting of all shareholder proxies with respect to the investments and securities held in 
the Trust’s portfolio, subject to such reasonable reporting and other requirements as shall be established by the Manager.

(i) The Subadviser acknowledges that it is responsible for evaluating whether market quotations are readily available for the Trust’s 
portfolio investments and whether those market quotations are reliable for purposes of valuing the Trust’s portfolio investments and 
determining the Trust’s net asset value per share and promptly notifying the Manager upon the occurrence of any significant event with 
respect to any of the Trust’s portfolio investments in accordance with the requirements of the 1940 Act and any related written guidance 
from the Commission and the Commission staff. Upon reasonable request from the Manager, the Subadviser (through a qualified person) 
will assist the valuation committee of the Trust or the Manager in valuing investments of the Trust as may be required from time to 
time, including making available information of which the Subadviser has knowledge related to the investments being valued.

(j) The Subadviser shall provide the Manager with any information reasonably requested regarding its management of the Trust’s 
portfolio required for any shareholder report, amended registration statement, or prospectus supplement to be filed by the Trust with 
the Commission. The Subadviser shall provide the Manager with any reasonable certification, documentation or other information 
reasonably requested or required by the Manager for purposes of the certifications of shareholder reports by the Trust’s principal 
financial officer and principal executive officer pursuant to the Sarbanes Oxley Act of 2002 or other law or regulation. The Subadviser 
shall promptly inform the Trust and the Manager if the Subadviser becomes aware of any information in the Prospectus that is (or will 
become) materially inaccurate or incomplete.

(k) The Subadviser shall comply with the Trust’s Documents provided to the Subadviser by the Manager. The Subadviser shall notify 
the Manager as soon as reasonably practicable upon detection of any material breach of such Trust Documents.

(l) The Subadviser shall keep the Trust’s Manager informed of developments relating to its duties as Subadviser of which the Subadviser 
has, or should have, knowledge that would materially affect the Trust. In this regard, the Subadviser shall provide the Trust, the Manager, 
and their respective officers with such periodic reports concerning the obligations the Subadviser has assumed under this Agreement 
and the Manager may from time to time reasonably request. Additionally, prior to each Board meeting, the Subadviser shall provide the 
Manager and the Board with reports regarding the Subadviser’s management of the Trust’s portfolio during the most recently completed 
quarter, in such form as may be mutually agreed upon by the Subadviser and the Manager. The Subadviser shall certify quarterly to the 
Manager that it and its “Advisory Persons” (as defined in Rule 17j-1 under the 1940 Act) have complied materially with the requirements 
of Rule 17j-1 under the 1940 Act during the previous quarter or, if not, explain what the Subadviser has done to seek to ensure such 
compliance in the future. Annually, the Subadviser shall furnish a written report, which complies with the requirements of Rule 17j-1 
and Rule 38a-1 under the 1940 Act, concerning the Subadviser’s Code of Ethics and compliance program, respectively, to the Manager. 
Upon written request of the Manager with respect to material violations of the Code of Ethics directly affecting the Trust, the Subadviser 
shall permit representatives of the Trust or the Manager to examine reports (or summaries of the reports) required to be made by Rule 
17j-1(d)(1) relating to enforcement of the Code of Ethics.

2. The Manager shall continue to have responsibility for all services to be provided to the Trust pursuant to the Management Agreement 
and, as more particularly discussed above, shall oversee and review the Subadviser’s performance of its duties under this Agreement. 
The Manager shall provide (or cause the Trust’s custodian to provide) timely information to the Subadviser regarding such matters as 
the composition of assets in the portion of the Trust managed by the Subadviser, cash requirements and cash available for investment 
in such portion of the Trust, and all other information as may be reasonably necessary for the Subadviser to perform its duties hereunder 
(including any excerpts of minutes of meetings of the Board of Trustees of the Trust that affect the duties of the Subadviser).

3. For the services provided pursuant to this Agreement, the Manager shall pay the Subadviser as full compensation therefor, a fee equal 
to the percentage of the Trust’s average daily net assets of the portion of the Trust managed by the Subadviser as described in the 
attached Schedule A. Liability for payment of compensation by the Manager to the Subadviser under this Agreement is contingent upon 
the Manager’s receipt of payment from the Trust for management services described under the Management Agreement between the 
Fund and the Manager. Expense caps or fee waivers for the Trust that may be agreed to by the Manager, but not agreed to by the 
Subadviser, shall not cause a reduction in the amount of the payment to the Subadviser by the Manager.

4. (a) The Subadviser acknowledges that, in the course of its engagement by the Manager, the Subadviser may receive or have access 
to confidential and proprietary information of the Manager or third parties with whom the Manager conducts business. Such information 
is collectively referred to as “Confidential Information.” Confidential Information includes the Manager’s business and other proprietary 
information, written or oral.

(b) The Subadviser certifies that (i) its treatment of Confidential Information is in compliance with applicable laws and regulations 
with respect to privacy and data security, and (ii) it has implemented and currently maintains an effective written information security 
program (Information Security Program) including administrative, technical, and physical safeguards and other security measures 
necessary to (a) ensure the security and confidentiality of Confidential Information; (b) protect against any anticipated threats or hazards 
to the security or integrity of Confidential Information; and (c) protect against unauthorized access to, destruction, modification, 
disclosure or use of Confidential Information that could result in substantial harm or inconvenience to the Manager, or to any person 
who may be identified by Confidential Information. The Subadviser shall promptly and without unreasonable delay, but in no event 
more than 48 hours of learning of a material breach of this Section, notify the Manager if the Subadviser is in material breach of this
Section. At the Manager’s request, the Subadviser agrees to certify in writing to the Manager, its compliance with the terms of this Section.

(c) The Subadviser shall notify the Manager or its agents of its designated primary security manager. The security manager will be responsible for managing and coordinating the performance of the Subadviser’s obligations set forth in its Information Security Program and this Agreement.

(d) The Subadviser shall review and, as appropriate, revise its Information Security Program at least annually or whenever there is a material change in the Subadviser’s business practices that may reasonably affect the security, confidentiality or integrity of Confidential Information. During the course of providing the services, the Subadviser may not alter or modify its Information Security Program in such a way that will weaken or compromise the security, confidentiality, or integrity of Confidential Information.

(e) The Subadviser shall maintain appropriate access controls, including, but not limited to, limiting access to Confidential Information to the minimum number of the Subadviser’s Employees who require such access in order to provide the services to the Manager.

(f) The Subadviser shall conduct periodic risk assessments to identify and assess reasonably foreseeable internal and external risks to the security, confidentiality, and integrity of Confidential Information; and evaluate and improve, where necessary, the effectiveness of its information security controls. Such assessments will also consider the Subadviser’s compliance with its Information Security Program and the laws applicable to the Subadviser.

(g) The Subadviser shall conduct regular penetration and vulnerability testing of its information technology infrastructure and networks. If any testing detects any intrusions of any information technology systems processing, storing or transmitting any of the Manager’s Confidential Information, the Subadviser shall promptly report those findings to the Manager.

(h) The Subadviser shall notify the Manager, promptly and without unreasonable delay, but in no event more than 48 hours of learning of any unauthorized access or disclosure, unauthorized, unlawful or accidental loss, misuse, destruction, acquisition of, or damage to Confidential Information may have occurred or is under investigation (a Security Incident). Thereafter, the Subadviser shall: (i) promptly furnish to the Manager full details of the Security Incident; (ii) assist and cooperate with the Manager and the Manager’s designated representatives in the Manager’s investigation of the Subadviser, Employees or third parties related to the Security Incident, which may include requests for all relevant records, logs, files, and data; (iii) cooperate with the Manager in any litigation or other formal action against third parties deemed necessary by the Manager to protect the Manager’s rights; and (iv) take appropriate action to prevent a recurrence of any Security Incident.

(i) Upon the Manager’s reasonable request at any time during the term of the Agreement, the Subadviser shall promptly provide the Manager with information related to the Subadviser’s information security safeguards and practices.

(j) For the purpose of auditing the Subadviser’s compliance with this Section, the Subadviser shall provide to the Manager, on reasonable notice reasonable assistance and cooperation of the Subadviser’s relevant staff.

5. The Subadviser will not engage any third party to provide services to the portion of the Trust’s portfolio as delegated to the Subadviser by the Manager without the express written consent of the Manager. To the extent that the Subadviser receives approval from the Manager to engage a third-party service provider, the Subadviser assumes all responsibility for any action or inaction of the service provider as it relates to the Trust’s portfolio as delegated to the Subadviser by the Manager. In addition, the Subadviser shall fully indemnify, hold harmless, and defend the Manager and its directors, officers, employees, agents, and affiliates from and against all claims, demands, actions, suits, damages, liabilities, losses, settlements, judgments, costs, and expenses (including but not limited to reasonable attorney’s fees and costs) which arise out of or relate to the provision of services provided by any such service provider.

6. The Subadviser shall not be liable for any error of judgment or for any loss suffered by the Trust or the Manager in connection with the matters to which this Agreement relates, except a loss resulting from willful misfeasance, bad faith or gross negligence on the Subadviser’s part in the performance of its duties or from its reckless disregard of its obligations and duties under this Agreement, provided, however, that nothing in this Agreement shall be deemed to waive any rights the Manager or the Trust may have against the Subadviser under federal or state securities laws. The Manager shall indemnify the Subadviser, its affiliated persons, its officers, directors and employees, for any liability and expenses, including attorneys’ fees, which may be sustained as a result of the Manager’s willful misfeasance, bad faith, gross negligence, reckless disregard of its duties hereunder or violation of applicable law, including, without limitation, the 1940 Act and federal and state securities laws. The Subadviser shall indemnify the Manager, their affiliated persons, their officers, directors and employees, for any liability and expenses, including attorneys’ fees, which may be sustained as a result of the Subadviser’s willful misfeasance, bad faith, gross negligence, or reckless disregard of its duties hereunder or violation of applicable law, including, without limitation, the 1940 Act and federal and state securities laws.

7. This Agreement shall continue in effect for a period of more than two years from the date hereof only so long as such continuance is specifically approved at least annually in conformity with the requirements of the 1940 Act; provided, however, that this Agreement may be terminated by the Trust at any time, without the payment of any penalty, by the Board of Trustees of the Trust or by vote of a majority of the outstanding voting securities (as defined in the 1940 Act) of the Fund, or by the Manager or the Subadviser at any time,
without the payment of any penalty, on not more than 60 days’ nor less than 30 days’ written notice to the other party. This Agreement shall terminate automatically in the event of its assignment (as defined in the 1940 Act) or upon the termination of the Management Agreement. The Subadviser agrees that it will promptly notify the Trust and the Manager of the occurrence of any event that would result in the assignment (as defined in the 1940 Act) of this Agreement, including, but not limited to, a change of control (as defined in the 1940 Act) of the Subadviser.

To the extent that the Manager delegates to the Subadviser management of all or a portion of a portfolio of the Trust previously managed by a different subadviser or the Manager, the Subadviser agrees that its duties and obligations under this Agreement with respect to that delegated portfolio or portion thereof shall commence as of the date the Manager begins the transition process to allocate management responsibility to the Subadviser.

Any notice or other communication required to be given pursuant to this Agreement shall be deemed duly given if delivered or mailed by registered mail, postage prepaid, (1) to the Manager at 655 Broad Street, 17th Floor, Newark, NJ 07102, Attention: Secretary (for PGIM Investments) and One Corporate Drive, Shelton, CT 06484, Attention: Secretary (for ASTIS); (2) to the Trust at 655 Broad Street, 17th Floor, Newark, NJ 07102, Attention: Secretary; or (3) to the Subadviser at 385 East Colorado Blvd, Pasadena, CA 91101, Attention: Legal Department.
